How to Login to the Blackboard Mobile Learn App

Once you have installed the app, click the Bb Mobile Learn app icon from your Mobile device. Continue with the following directions:

- In the Search box, type in **Connecticut Community Colleges**

Connecticut Community Colleges should appear below the search box before you even finish typing the full name.

- When it appears, click on it.

The login box will appear.

- In the first box, type in the **first 8 digits of your NetID**.
(ex: if your NetID is 12345678@student.commnet.edu, you would just type in **12345678**)
- In the second box, type in the same password you typically use for logging into myCommNet.
- Press Go
- You will see a list of your courses.
