Catalog Course Description:	This is the low-advanced writing course in the ESL Writing & Reading series. The reading focus is on improved comprehension of level-appropriate academic and expository texts so that students can both discuss texts and reinvest information from texts into discussions and writing. The writing focus integrates and refines the stages of the writing process from prewriting to revising while reviewing basics such as thesis statements and topic sentences. Students read, write, revise, participate in group work and confer with teacher. In addition, grammar topics will be included in support of reading and writing. This six-credit course is a Humanities Elective. A C or better ensures admission into ESL Writing & Reading VI.
