Proposal Summary:	Change is needed in the course title to reflect sequencing in the Dental Hygiene Program.					
Rationale:	Course is a single semester course. The former Community Oral Health II (DHY*287) was redesigned to reflect curriculum changes.					
Additional Resources Needed:	I have met with Library staff <u>PJ</u> (initial) and IT staff <u>PJ</u> (initial) to discuss resource needs.					

INSTRUCTIONS:

- Include copies of both the **ORIGINAL COURSE SYLLABUS** (before changes), and the **NEW COURSE SYLLABUS** that includes all of the proposed changes. In writing the new syllabus, be sure to undertake a thorough review, and update all of its parts.
