

Guided Pathways Advising

May 2023

News from Bidstrup Hall

Community Conversations continued to grow this spring with both afternoon and evening bi-weekly meetings in addition to several exciting events. **Potluck & Painting** was held over Spring Break where we shared delicious international food and painted under the guidance of **Advisor David Jackson**. Later in March, we had our first-ever **International Interpretations Art Show** with three CC group members presenting and displaying their artwork in Bidstrup. In May, 18 of us hiked **Talcott Mountain** in Simsbury and enjoyed conversation and lunch at the top. Finally, we hosted **New Britain High School ESOL students** who enjoyed an info session, tour, and Spring Fling.... Stay tuned for exciting news this fall!

Community Conversations, a group where Tunxis ESOL students and staff build connections, have conversations, and practice English, is led by Anna Syta and Nicole Tabol. **Meetings will continue this summer on Mondays from 5-6 PM from 5/22 - 8/21 in Bidstrup Hall 2nd floor. All are welcome!**
