IMPORTANT!

Course fees are non-refundable.

Select your class dates carefully to ensure your ability to attend ALL SESSIONS of your class, on time. Any absence or tardiness will require you to register for another course, pay again, and start from the beginning. No exceptions. If you think you will miss a session due to a vacation, wedding, work, or whatever, do not enroll in that class. Choose another.

BRC and RRBRC students MUST complete a 3-hour or 5-hour MSF e-course and bring proof of completion to first class.

Be Prepared! Learning to ride a motorcycle demands alertness and some physical exertion. Operating any vehicle (car, bicycle, or motorcycle) brings with it both responsibility and risk. The possibility of being seriously injured is always present. All students must sign an Adult Waiver and Release of Liability form prior to participation. The form for students under 18 (Minor's Waiver and Release of Liability) is available upon request and must be signed by both the student and legal guardian.

Gear required for all courses:

- DOT-approved helmet
- Eye protection (face shield, goggles, or glasses)
- Long-sleeved shirt or jacket
- Full-fingered gloves, no skin showing
- Long pants covering all skin (denim or heavier)
- Over-the-ankle boots or shoes, leather preferred, no tall heels

If you do not come prepared with the above, you will not be allowed to continue with the class.

These courses are conducted in all weather conditions (rain, heat, cold, etc.); rarely do we cancel.

Please come to each session prepared with:

- Plenty of water
- Lunch/snacks

Also consider bringing:

- Weather appropriate clothing
- Rain gear
- Sunblock

Since the curriculum progresses at an aggressive pace, you should be aware of the following facts:

- Riding a motorcycle is much more difficult than riding a bicycle or operating a car. It involves a great deal of hand-eye coordination. You must have the capability to balance a heavy two-wheeled vehicle. You will be required to push a motorcycle. If necessary, please practice before attending.
- You need to attend class in good physical condition, be well-rested and alert, and participate in all sessions. You will also be required to read and study the provided handbook. A portion of the workbook can be viewed on Ride4Ever.org.
- Not everyone successfully completes this course. However, our students leave the course with a better understanding of how motorcycles interact with traffic and the environment, and their responsibilities as a rider.
- Unfortunately, during the course you may discover, or be told, that riding motorcycles is not for you. For your safety and the safety of others, the instructor may not allow you to continue.

Refunds are not issued unless a course is cancelled.

A course may be rescheduled or cancelled due to insufficient enrollment or other unforeseen circumstances.

Note: Students may use their own scooter provided it is registered as a motorcycle with the CT DMV. It must be 250ccs or less, street legal, and in safe operating condition.
